Bu is home to our children between the ages of 6 weeks and 1 year. This room can hold a maximum of 8 children at a time allowing for educators to provide a caring and nurturing environment for our youngest children at the service.

Perridak is home to our children between the ages of 1 and 2. This room can hold up to 12 children at a time and is set up to foster children's learning and developmental milestones.

Walert is our bridge room between the 1-year-old and 2-year-old rooms. This room holds up to 16 children, between the ages of 22 months to 28 months and helps to support the younger children in building their confidence before moving into the next room.

Go-Yin holds up to 16 children, between the ages of 26 months to 3 years and focuses on supporting the children in their communication, confidence and social development.

Ngurr-Ngurr is our 3-year-old kindergarten room and holds up to 33 children at a time. This room has a strong focus on supporting children to reach their kindergarten goals.

Yurn is our 4-year-old kindergarten room and holds up to 33 children at a time. This room is made up of 2 rooms and has a strong focus on supporting children to achieve school readiness.

Our Philosophy

At All Day Long we understand that early years and children's start in life are the foundations for future life choices and achievements.

All Day Long believes in providing a holistic environment, inspired by the learning approaches of Reggio, Steiner, Montessori and Vygotsky, to create a nurturing and familiar environment that challenges and evolves with the children, and their interests and growth.

Bush Kinder

All Day Long believes in bringing home and life skills into the children's learning environment.

Bringing everyday activities and skills into our daily practices, we are able to support children in a range of developmental areas.

4YO Kindergarten

All Day Long believes in working in partnership with parents and families and understand that this is paramount to children and their learning.

All Day Long understands that learning is happening all the time and children learn best when allowed to be active and involved participants in their own learning journey.

Our products & services

Bush Kinder Experience

All Day Long offers Bush Kinder experiences for children of all ages to explore the natural community. These excursions take the children to local parks and reserves within walking distance of the service.

Cooking Program

All Day Long offers a cooking program for the children of all ages, to actively engage in the preparation of meals at the service. This allows the children to build their self-help skills and fine motor development in the kitchen.

Classroom Pets

Each of our classrooms at All Day Long, house a variety of pets from fish to puppies and many more exciting animals. This exposure supports children with emotional regulation and teaches them how to safely interact with different animals.

Orientations

All Day Long Childcare and Education strives to provide the best transition for children into education and care through our orientation process.

All families will be required to attend a one-hour orientation session with their child followed by a two-hour orientation for the child only.

This will then be followed by a slow transition into care with two half days being completed before officially starting full days of care.
